

Mimic Mockup Group Assignment

Assignment:

1. Work in groups of three to create a webpage that looks like the provided mockup
2. Analyze the mockup and break it into HTML elements
3. Build out the HTML file
4. Use a CSS file to apply styling to match the mockup as closely as possible.

Schedule:

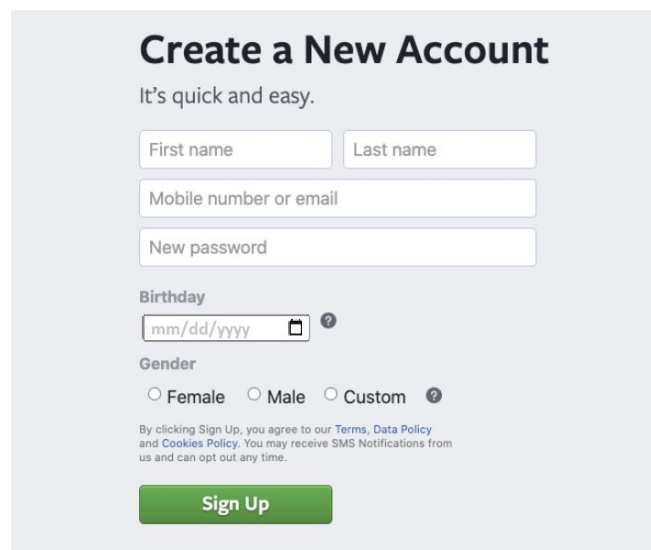

Development: 2:30 hours

Demos: 15 minutes

Tools:

1. Google Chrome
2. VS Code

Mockup:

The mockup shows a 'Create a New Account' form on a light gray background. The title 'Create a New Account' is in bold black text, followed by the subtitle 'It's quick and easy.' in a smaller font. The form contains several input fields: 'First name' and 'Last name' (two separate boxes), 'Mobile number or email' (a single box), and 'New password' (a single box). Below these is a 'Birthday' section with a date picker showing 'mm/dd/yyyy' and a help icon. The 'Gender' section has three radio buttons for 'Female', 'Male', and 'Custom', with a help icon next to 'Custom'. At the bottom, there is a small disclaimer about terms and policies, and a green 'Sign Up' button.

Create a New Account

It's quick and easy.

First name Last name

Mobile number or email

New password

Birthday

mm/dd/yyyy ?

Gender

☐ Female ☐ Male ☐ Custom ?
